felton industries 

At the very heart of the Felton Industries brand is our mission to design and create products of the highest quality and safety. This mission drives our success and prosperity which we happily share with communities in need.

OUR STORY

Felton Industries is Australia's leading designer, manufacturer and supplier of quality outdoor furniture and have been supplying premium seating solutions for all educational, community, sporting and commercial environments across Australia for more than 20 years. We have the experience and commitment required to create products that deliver comfort and versatility while being able to withstand the harshest extremes of our climate. As an Australian-owned family business, we are committed to delivering the highest standards of customer service and quality workmanship.

OUR COMMITMENT TO QUALITY AND SAFETY

Felton Industries has achieved ISO 9001:2015, the international standard for quality assurance. Certification to this standard involves a rigorous independent assessment of products and processes to ensure that our business fully understands what our customers want and is committed to delivering those requirements efficiently. With quality and safety at the heart of Felton Industries brand, you can trust that all our products are long-lasting and designed to withstand Australia's tough climate. Our patented Safety End Caps and high quality products ensure outstanding safety for all areas.

We thrive on a culture of continuous improvement and are committed to the ongoing evolution of our existing designs and the development of new and exciting products. Importantly, a key focus is to ensure that we not only meet, but also exceed, the needs of every customer. To that end, we welcome feedback and also seek to work proactively with our clients to deliver the very best in outdoor furniture solutions.

YOUR FEEDBACK IS WELCOME

As part of our commitment to our customers, Felton Industries welcomes all feedback that can help us to improve the quality of our products and customer service.

NEW IN 2019!

We are excited to introduce our new Felton Referral and Felton Loyalty Programs which offer great new benefits to our customers. For details on both, please visit our website and look out for our emails with more details!

HARD-WEARING

OUTDOOR GRADE LAMINEX TABLE TOP

Snack 'n' Study

Code FELSSS

This versatile setting features a UV resistant outdoor alfresco Laminex table top. The hard-wearing smooth Laminex table top comes in a variety of colours that are easy to clean and suitable for outdoor use. The flat Laminex top has no ridges or pattern making it easy to write on and even easier to keep clean. These settings are already popular in high schools for senior students and increasingly feature in tertiary campus eating areas. They are also gaining popularity in the accommodation and hospitality sectors for their durability and hygiene.

BUDDY BENCH SEATING

**THE BUDDY BENCH!
THE PLACE WHERE NEW
FRIENDSHIPS BEGIN**

- ✔ Stop bullying
- ✔ Promoting friendship
- ✔ No one should be lonely or left out at playtime
- ✔ Make a special place for friendship

A wonderfully simple idea which addresses a common playground problem - No student should feel alone in the playground. When there's a Buddy Bench in the playground, children feeling isolated only need to sit there and other students will know they're in need of friendship.

It's a place in the playground where children who feel upset, lonely or need to talk about a concern can find someone to speak with. It's a designated area of the playground where anyone can go and sit and someone will join them.

It works best as part of an integrated system to encourage inclusion and friendship where it has proven to be highly effective.

There are unlimited ways in which the seat can be used; from appointing certain children to take responsibility for befriending children who sit at the Buddy Bench to perhaps older students being selected to be on "Buddy Duty" or a school - wide agreement that all children should play with whoever sits on the Buddy Bench.

EZY-CONNECT™

CREATE YOUR OWN!

- ✓ Easy to use joiners
- ✓ UV stabilised plastic
- ✓ Safe round edges
- ✓ Choice of 4 different colours

Seating for infants needs to be tough, long-lasting and built to suit their needs. EZY-CONNECT is a 90 degree HDPE joiner designed and manufactured to compliment Ezyseat and Felton Industries' aluminium bench seating range.

These revolutionary joiners allow you to customise and create the seating arrangement you want or the seating you need in playgrounds, eating areas, COLA's; indoors or outdoors. Made from UV stabilised plastic, EZY-CONNECT can be used with In-Ground, Above Ground or Free Standing bench seating in the Felton or Ezyseat ranges.

With a choice of 4 colours & the option of In-Ground, Above Ground or Free Standing seating you can create seating that flows around gardens & trees or follow a pattern that works for your children's learning or play needs.
