

Australian Made Retail Supporter Application

Australian Made Retail Supporters are small retail businesses that have made a commitment to providing their customers with genuine Australian products, and in doing so, supporting Australian manufacturers, growers and processors with a valuable channel to market.

Retail Supporters are authorised to promote their business with the Australian Made logo with the descriptor "Retail Supporter". They are not licensed to use the Australian Made logo on individual products.

To be eligible, a retailer must:

- Be a retailer with an annual turnover of less than \$5 million;
- Offer for sale a significant proportion (more than 50%) of Australian made or grown products;
- Demonstrate commitment to the goals and ethos of the Australian Made Campaign (that is, to promote manufacturing, trade, commerce and industrial resources in Australia through the use of the Australian Made logo);
- Actively promote the Australian Made logo and, where appropriate, recommend to its suppliers that they become licensees of Australian Made;
- Sign a Licence Agreement to be supplied by Australian Made.

I have read the eligibility criteria, and confirm that my business meets these criteria.
