COMPANY LOGO, IMAGES AND VIDEOS

 **1** On the **'Manage your company'** page, click on the **'Company logo/Company images'** section. This will open the Edit Gallery pop-up window. Here you can upload your company's logo and images and/or YouTube links.

 **2** To add a logo, go to the **'Company Logo'** section at the top and click on the yellow **Browse** buttons to select your files. Once selected, hit the **'Upload'** button to save it to your page.

 **3** To add other images, go to the **'Licensee images & videos'** section and click on the yellow **'Browse'** button to select your file. Please upload your logo first. The second image loaded will be used as header. This is a template format and cannot be changed. Once selected, hit the **'Upload'** button to save it to your page. Images need to be uploaded individually.

 **4** To upload a video, copy and paste the appropriate YouTube link into the Insert YouTube URL box and click **'Update'**.

Please note: YouTube videos will appear as the YouTube icon.

 **5** When you are finished, click the yellow **'Close'** button. Changes will appear within 24 hours.

COMPANY DESCRIPTION AND CONTACT DETAILS

 **1** On the **'Manage your company'** page, click either the **'Content'** or **'Contact information'** sections. This will open a pop-up window where you can edit your details.

Please note: This information will pull through to every product page associated with your company - it cannot be changed on the individual profile pages.

 **2** When you are finished, click the yellow **'Save and exit'** button. Changes will appear within 24 hours.

SOCIAL MEDIA LINKS

-  **1** On the **'Manage your company'** page, scroll down and click on the Social – **'Connect with us'** section. This will open the **'Social media details'** pop-up window where you add/update your accounts.

-  **2** When you are finished, click the yellow **'Save and exit'** button. You'll now need to authorise your Instagram page to display content on AMCL's website

-  **3** Go to the **'Licensee Dashboard'**. On the Licensee Dashboard page you should see a yellow box asking you to authorise your Instagram page. Alternatively, if this box isn't there you can scroll down to the **'Online Profile'** section and click the **'Instagram Authorisation'** button.

-  **4** Once you're on the **'Instagram Authorisation'** page, the Instagram accounts you've linked to your Australian Made profile will be listed. You'll need to click on the **'Authorise'** button next to each of them, sign into the relevant Instagram account and give permission to Instagram to share your page's content on AMCL's website.

-  **5** Once completed, it will take you back to the **'Instagram Authorisation'** page, and a **'Done'** button will appear next to the Instagram Handle. You can remove these permissions anytime by clicking the **'X'** button next to the Instagram handle.
