Build your own

AUSSIE MADE CHRISTMAS ORNAMENT COLOUR-IN

I SUPPORT
Australian Made

YOU WILL NEED:

- Scissors
- Glue Stick
- Sticky Tape
- Ribbon / Twine
- Hole Punch
- Pencils / Textas

INSTRUCTIONS:

1. Colour-in your ornament.

2. Cut out the ornament following the dotted outline.

3. Use a hole punch to cut out the grey circle, and fold along the solid lines.

4. Assemble by folding the ornament into a pyramid shape with the Australian Made logo as the base. Secure with glue or sticky tape on the 3 tabs.

5. Add a ribbon or twine to the hole at the top to hang the ornament from your Christmas tree.

6. Share a photo of your Aussie Made creation by tagging us on Instagram @australianmadecampaign #isupportaustralianmade
